

حافظ الأسد يستخدم فيس بوك .. ويتوعد أمريكا

كتبه نون بوست | 30 أغسطس 2013

نشر حساب فيس بوك منسوب لحافظ الأسد، ابن الديكتاتور السوري بشار الأسد والبالغ من العمر ١١ سنة، نشر تدوينة يدعو فيها الولايات المتحدة -بشدة- لمهاجمة بلاده محذرا من أن ذلك الخطأ سيكون أكبر مما يتوقع الأمريكيون.

Hafez Assad

12 hours we waited... 48 hours they said, we're waiting... they may have the best army in the world, maybe the best airplanes, ships, tanks than ours, but soldiers? No one has soldiers like the ones we do in Syria, if you ask me what rank would I rank American "soldiers" I wouldn't rank them the worst because the worst are soldiers, but America doesn't have soldiers, what it has is some cowards with new technology who claim themselves liberators, they said they supported the "revolution" but actually they made it, right now we're all syrian it doesn't matter if your with or against because that's democracy, the ability to express yourself in your own way so when people say that they are against the "regime" it's fine but there's a difference between those people and the people who claim our flag green, it's like an offense to the country, but the worst is people who accuse the army of killing them, they accuse these men who are willing to risk they're lives and die to keep us safe, of killing us, well when these people say that "the army is gonna end beacuse America will attack" I can say that when America attacks it's gonna attack every syrian, with, against, terrorists, the army.

I can expect that some people may comment that America is more powerful than us, my response is that first you don't know what we have, second maybe they are stronger, maybe they will destroy the army, but they will never destroy these remnants and little bits of resistance, it's who we are, we were born to fight and resist, we will fight them everywhere until they get out if they came in in the first place, no matter how much hard they try to get us out of our holy land they will never succeed, it's where we come from it's where our roots and predecessors come from.

I just want them to attack sooo much, because I want them to make this huge mistake of beginning something that they don't know the end of it, just like Hezbollah defeated Israel and the NATO and by what? What did Hezbollah have back then? Some street fighters and some small rockets and a pile of guns, but they had belief, In theirselves and in their country and that's exactly what's gonna happen to America if it chooses invasion because they don't know our land like we do, no one does, victory is ours in the end no matter how much time it takes

Syria forever and everr 🙏🙏🙏

وقال حافظ الأسد الابن في حسابه "ربما يمتلكون أسلحة ودبابات وطائرات أقوى .. لكن جنود؟ ليس هناك جنود في العالم مثل من لدينا في سوريا" وتابع "لهؤلاء الذين يقولون أن الجيش السوري سينتهي عندما تهاجم الولايات المتحدة، أقول أنه عندما تهاجم الولايات المتحدة لن تهاجم الجيش فقط، بل ستهاجم من معها ومن ضدها، ستهاجم (الإرهابيين) والجيش"

وأنتهى الأسد الابن تدوينته بالقول "أريدهم أن يهاجمونا قريباً، ليدركوا أنهم بدأوا شيئاً لا يعلمون نهايته، مثلما هزم حزب الله إسرائيل والناطو، هزمهم بماذا؟ فقط مجموعة محاربي شوارع وصواريخ صغيرة وحفنة بنادق، لكنهم آمنوا بأنفسهم وببلادهم، وهذا بالضبط ما سيحدث إن قررت أمريكا الغزو"

ورغم أنه من المستحيل التأكد اذا ما كان حساب حافظ الابن موثقاً أم لا، إلا أن الطفل الذي كتب على حسابه أنه خريج مدارس مونتيسوري (أسلوب تعليمي للأطفال) كانت قد أكدت تلك المعلومة والدته أسماء الأسد في فبراير ٢٠١١ في حوار لها مع مجلة أمريكية.

الأشخاص الذين أعجبوا ونشروا كلمات ابن الديكتاتور السوري كذلك تحمل حساباتهم أسماء قادة النظام السوري أمثال محمد نصيف خيربك، وأبناء آصف شوكت (والمترج من أخت الأسد) الذي قُتل في تفجير في يوليو ٢٠١٢. وحسابات أبناء آصف شوكت أكدها صحفيون من دمشق مقربين من

وكانت التعليقات التي استقبلها الأسد الابن من قبيل “هذا الشبل من ذاك الأسد”، كلها تحمل عبارات الثناء على ما قاله الطفل الذي سُمي على اسم جده الديكتاتور الذي حكم مع ابنه سوريا لمدة تقارب من أربعين سنة.

-  Jawa Sy 😊 with our armys we will fight the worldwith our president we can rebuild our country again and again and again

-  Shirin Sanadiki You know something America might attack Syria but she will regret it till the end of the world she is going to learn a good lesson like the one Israel took it during the war of July 2006 they don't know yet the Syrians are very strong because they have faith in god and the Syrian army and there leader
God bless Syria
